

Developer's Guide Team Home

The Developers Guide Team is responsible for writing and maintaining the Developers Guide implemented via Wiki and all related sub-projects. Developers Guide provides advanced users and programmers with documentation on how to work with In-Portal's code.

How To Page !

To watch a space you need to:

1. Click on **Watch** button on top right corner of the page.
2. In the panel, that opens click on **Watch all content in this space** checkbox.

Team Leader: Alex

To start new discussion please use [this link](#).

Welcome to the Developer's Guide Team responsible for the In-Portal Developer's Guide!

Developers Manual is located at <http://guide.in-portal.org> and is powered by Wiki, making it easy for all members of the Community to keep it updated. If you have experience in writing technical documentation, please consider joining the team!

For more information on how to contribute to our Documentation effort, please refer to the In-Portal's Guide to [Writing Documentation](#).

Current Projects

Project Name	Current Status	Responsible Party
Updating Development Guide Structure	In-Progress	Dmitry Andrejev [Intechnic]
Translating Articles to other Languages	Not Started	Open
Documenting In-Portal in Development Guide	On-going	Open
