

New Structure

Imported From: http://groups.google.com/group/in-portal-design/browse_thread/thread/621f345237bc2cd7#

The following is the proposed new structure for the default administrative interface for the new version of In-portal. Sections marked with * will be included with the default installation for projects. Let's discuss it - we need to decide this week.

- * Website & Content *
 - o Browse Website *
 - o Structure & Data *
 - o News
 - o Translations
 - o E-mail Templates *
 - o Forms

- * E-commerce
 - o Orders
 - o Transactions
