

Design & Interfaces Team Home

The Design & Interfaces Team is responsible for the design of In-portal's themes as well as interfaces and any design elements. If you are a designer or a coder, please consider contributing your skills to create new exciting themes and interfaces for In-Portal.

How To Page !

To watch a space you need to:

1. Click on **Watch** button on top right corner of the page.
2. In the panel, that opens click on **Watch all content in this space** checkbox.

Team Leader: Andrew Kucheriavy [Intechnic]

Navigate space

To start new discussion please use [this link](#).

Welcome to the Design & Interfaces Team!

If you have skills or interest in design, XHTML / CSS, or usability, please considering contributing to our design effort by joining the Design & Interfaces Team.

For more information on how to contribute to our Design effort, please refer to the In-Portal's Introduction to [Designing Themes & Interfaces](#).

Current Projects

| Project Name | Current Status | Responsible Party |
|--|----------------|-------------------------------|
| Graphics for Facebook, Twitter and LinkedIn Accounts | In-Progress | Andrew Kucheriavy [Intechnic] |
| In-Portal Banners and Buttons | Not Started | Open |
| Screenshots for Documentation | Not Started | Open |
